

Release Notes & Updates

January 17, 2022

These are the new features and updates for our (22.1) release.

If you have any questions about the items listed in this release, please visit [The Exchange](#) and leave a comment.

LMS (Trident)

PRODUCT

- Added agenda items to the column chooser for Live Events.

REPORTS

- Update to the Registration Report which will allow you to pull Agenda Selections for Complex Live Events.

APPEARANCE

- Resizing sign up pop-up to full size of submission form.

AMS (Lighthouse)

ACCOUNTS

- Reduced the number of clicks when approving a member.

APPEARANCE

- Fixed some less commonly used areas in manager and in the viewer or account list where the required fields for the customers wasn't be properly asterisked to show as required, or show in the proper dropdown format.

GROUPS

- Fixed an issue where the number of uses of a price adjustment on a product added to a group was not displaying if the limit had been edited.
- Updated how custom addresses are displayed in question sets.

DIRECTORY

- Enabled all custom field types to be displayed in the directory search results.

SETTINGS

- Added a global company security ACL tab to company settings.

IMPORTS

- Updated the company import to display a column chooser and to include custom company fields.

Full System

ACCOUNTS

- Now, once Users enter data, only the User has access to wipe out the data (non-mandatory data).

CATALOG APPEARANCE

- New setting added to Other Physical Products allowing Step 4, where Shipping Address is required, to be skipped.
- Added additional settings to Catalog for Credits and how they appear.

PRODUCTS

- Faculty/Speakers now have access to answer Q&A while directly in program; this is a great alternative to our interaction tab!
- User Forum Settings now appear as expected in programs.

LISTS

- Creating a new message token {ClassroomScheduleTablewithDate} that will include the date that a user completed their program. See the FAQ for more details.

MANAGER

- Added a product name message token to the email an employee receives when a company admin completes a purchase that the employee assigned to the company.

VIDEO MANAGER

- Evaluation Pop Up now working as intended at End of Video Replays.
- Added a Clear Expense Button, along with status updates, in CE21 Manager for our Videographers.
- Webcast Viewer Wall now available for Video Manager Bookings.
