Release Notes & Updates
January 29, 2021

These are the new features and updates for our last release for January, 2021.
If you have any questions about these or any features, please contact us at help@ce21.com

LMS

CERT REQUIREMENTS

- **Manager > Lists > Cert Requirements > Participation Codes Templates > Changing of wording / Codes Type**
  UI updates to the Participation Code template, NO Functional changes
- **Issue: Quiz Number Correct Appearing as Zero**
  Fixed an issue where quiz score was not appearing correctly in My Account
- **Issue: Quizzes Providing False Information Upon Failing More Than One Time**
  Fixed an issue where the quiz score was not updating after failing and retaking a quiz

FORUMS

- **Viewer > Forums > When user clicks to Post or Reply to a Forum Post for the 1st time - do same thing as in Live Chat - prompt**
  When someone posts to a forum for the first time, they can now update their forum name

LISTS

- **Expiration dates on Evaluations**
  Added the ability to set active and expiration dates so that updated evaluations can be added without losing prior submissions

PRODUCTS

- **Need to be able to choose future date in copyright field on physical products**
  Added the ability to set copyright dates in the future for pre-orders
- **Purchase add-ons in the backend after the purchase of the primary item has already happened**
  Added the ability for staff to purchase add on products without having to repurchase the original item a second time
- **Distribution > Expanding all tables takes quite a long time**
  Sped up the distribution process of expanding tables
- **Credit is not saving the Custom credit field data when I enter it**
  Fixed an issue where custom field credit values were not saving
- **My account > Add to calendar button for classrooms not including the account link**
  Added an account link token to the Add to Calendar feature for classrooms
- **Manager > Edit Classroom / VC > New Feature to Disable Launch until a specific date in customer account**
  Added a "Disable Launch until" feature for classrooms so people can purchase but not yet launch the classroom until it is ready
- **Enhancement: Refunded, but Still Active Products Need Update Expiration Tool**
  Added the ability to set active and expiration dates so that updated evaluations can be added without losing prior submissions

REPORTS

- **Reports > Reports List > Registration & Completion Reports: Add Event Time ID column**
  Added EventTimeID column to registration and completion reports
- **Issue: 2020 Cart Conversions Aren't Loading for DOCME**
  Fixed an issue where the cart conversion report results may not have loaded

SALES

- **Issue: "Apply Discount To" Needs to Be Required Field**
  When using the dollar amount off option in discounts the Apply Discount to section is now required
- **New Order > Search for Product does not work when "Show Only Published Products" is selected**
  Fixed an issue where searching for a product was not returning any results when the show only published products filter was being used

SETTINGS

- **Settings > Manager Settings > Manager Options Tab: Update Language for Payment Plans**
  Updated the description for Payment Plans to include the use of AffiniPay
- **ShipStation --> CE21 not passing partially shipped shipments**
  Updated the API with ShipStation so partially shipped orders get sent over
- **1 of 5: Push Notifications Cleanup | Hide Notifications > Push Templates and Push Reminder Rules**
  Push notifications will now send 5 minutes prior to a program starting if the customer has downloaded the app and has notifications on
- **2 of 5: Push Notifications Cleanup | Hide Settings > Notifications Settings > Push Notification Options tab**
  Removed Push Notifications from the Notification Settings, push notifications are now based on having downloaded the app

AMS (Lighthouse)

ACCOUNTS

- **Inquiry: Accounts > Companies: Duplicate Company Records**
  Fixed an issue where duplicate company records were being created

SALES

- **Write off Payment method for backend order**
  Added Write Off as a payment method in the advanced search options for Orders

GROUPS

- **Catalog > My Account > Membership Tab: Current End Date and Next Renewal Date Not Updating When Suspended**
  If a member moves into Suspended status, end date & next renewal date get hidden, just like Lapsed status
- **Accounts > Customers > Customer Details > Membership Tab > Edit: Change Next Renewal Billing Cycle**
  Fixed an issue where changing a member's next billing cycle was not updating
- **Issue: Tool Tips Are Hidden When Scrolling Under Membership Tab**
  Fixed an issue where some tool tips would get hidden when scrolling
