

# Release Notes & Updates

January 4, 2022

These are the new features and updates for our (8.26) release.  
If you have any questions about the items listed in this release, please visit [The Exchange](#) and leave a comment.

## LMS (Trident)

### PRODUCT

- Fixed defect where the {Logo} Message token in the Certificate wasn't pulling in the logo from the Settings > Tenant Information logo area.
- Added Active/End Dates to Eval/Quiz Templates.

### SALES

- Update to the shopping cart to allow your users to use more than one gift card upon checkout.

## AMS (Lighthouse)

### GROUPS

- Updated the Missed Payment notification to display a day after the membership was added by staff in Manager.
- Removed test account from being counted in the Members column count on the Groups List page.
- Added upgrade membership setting to company based memberships.

### LISTS

- Added the Account Flag column to the Group Members report.

### REPORTS

- Fixed an issue where donations made late at night were not appearing in the correct date range in the Donations Report.

### SMART LISTS

- Updated the criteria when selecting a Date Field.

## Full System

### ACCOUNTS

- Cancel Payment Plan buttons are now relabeled and offer hover-over help text for additional context.
- Exposed the Forms tab on the front end so customers can see their form submission history.

## CATALOG APPEARANCE

- New setting added to Other Physical Products allowing Step 4, where Shipping Address is required, to be skipped.
- Added additional settings to Catalog for Credits and how they appear.

## IMPORTS

- Added a Select All option to the column chooser when selecting the columns for the import template.

## LISTS

- All Eval questions (and answers) will now appear in the Cert Modal whether the Customer answered the or not.
- New Response Accuracy Column on Quiz Detail Reports, letting you know if Users responded Correctly or Incorrectly on Quizzes.

## MANAGER

- New Email reminder: Warns users that their gift card is about to expire. This automatic email will go out 7 days before the gift card has been expired. You can either turn it off completely in the notification settings or turn it off on individual gift cards.
- Added the {CustomerLastName} message tokens to the Customer Email templates 1-5.
- Added a copy button so that custom fields can be duplicated and edited quickly.

## SALES

- Bulk Upload now has better error handling and offers an log history.

## SETTINGS

- Help Text for the Add Faculty to Moderation setting is now updated to be clearer and more precise. In addition, we have made sure that this help text is everywhere that this setting is available.

## VIDEO MANAGER

- Tenant-Specific feature: Tenant can now have multiple Zoom Webinars occurring at once to coincide with their multiple accounts.
