

CE21 Concierge Course Creation: Premium Content, Tailored to Perfection

CE21's Concierge Course Creation offers comprehensive, personalized services to help organizations deliver high-quality educational content with precision and efficiency. From crafting course templates to managing virtual conferences, we handle the intricate details so you can focus on your core objectives.

Key Features

- **Personalized Consultation:** Collaborate with our team to identify your organization's unique needs and design a tailored course creation plan.
- **Custom Templates:** Develop core product templates that streamline future course creation, incorporating accreditation guidelines, certification rules, and evaluation schemes.
- **Flexible Service Levels:** Choose from various assistance levels, from importing files into the system to building complex virtual conferences with live and hybrid components.
- **Efficient Program Management:** Benefit from customized questionnaires, certificate and email templates, prerequisites setup, and more to simplify program development.

Versatile Solutions

- **Virtual Conference Expertise:** Blend live and virtual components to create dynamic, engaging events.
- **Templatizing Services:** Leverage CE21's expertise to design reusable templates that ensure consistency and save time.
- **Scalable Pricing:** Select from single program or bulk pricing options based on your specific needs and programming complexity. Live videography services are also available upon request.

Why Choose CE21 Concierge Service?

- **Attention to Detail:** We handle every aspect precisely, ensuring a smooth and professional outcome.
- **Customized Solutions:** Whether starting from scratch or enhancing an existing catalog, we adapt to meet your goals.
- **Premium Content Delivery:** Elevate your organization's learning experience with expertly designed courses and events.

Focus on your objectives while we manage the details.
With CE21's Concierge Glove Course Creation, delivering top-tier content has never been easier.
